

## Wolf Limited Warranty

Wolf Corporation presents the original purchaser of this foundation a limited one year warranty against any defects in workmanship or material (excluding cover and corner guards). This warranty begins on the day you purchase your foundation. If your foundation is repaired or replaced, this warranty will not be reviewed.

In the event that a problem arises from a defect during the warranted time, your foundation will be repaired or replaced (at Wolf's option) without charge except for any costs incurred to transport the product to and from Wolf's factory. The original purchase date remains the starting date of your warranty.

Congratulations with your new foundation from Wolf Corporation. You can rest assured that you have chosen a foundation designed to give you years of comfort. In order to prolong the life of your product, there are a few things to remember.

1. Please use this foundation with the appropriate size mattress, mismatch of foundation to mattress can cause injury and void the warranty.
2. Corner guards are designed to protect the bed frame from unnecessary wear and tear; they are not designed to protect the consumer from impact with the foundation.
3. Improper assembly of the foundation voids the warranty and can cause injury please consult the enclosed assembly instructions, or contact Wolf Corporation at 1-800-642-9653 for instruction or help.

This warranty is void if the product has been subject to obvious abuse. A stained or soiled cover also voids the warranty

*(For foundations not equipped/or using leg attachments)* A queen and king size mattress and foundation must be supported by a frame using rigid center support having at least 5 legs or bed rails with at least 5 hardwood cross slats and 1 or 2 center legs. Failure to do so voids this warranty. This frame is also recommended for full size.

This warranty Does Not Cover:

Foundation being sold "as is"

Total bed and foundation height.

Comfort preference

All repairs and replacements made under the terms and conditions of this warranty, will be made under the current retail price of the item at the time of the repair or replacement.

This warranty gives you specific legal rights, and you may have other rights which may vary state to state.

To obtain services under this warranty, please contact the Wolf dealer from whom you purchased the product. If your dealer is no longer in business please write to the service manager at Wolf Corporation describing your problem.

NOTE: If the law tag is removed this warranty shall be void.
